## ABOUT US

Harrow Central Mosque is a charitable organisation with a primary focus to serve the diverse community of Harrow.

The mosque caters for the Islamic and social needs of the Muslim community including the provision of prayer, education for adults and children, seminars, multi-faith engagement and liaising with the local community to address matters of social welfare.

“*The best among you are those who learn the Qur'an and teach it*”

Harrow Central Masjid aims to inspire towards the noble path of salvation. We believe we are upon a path to the creator with our role to help and facilitate people upon this journey. It is recognised that education, action coupled with the love of Allah and His Noble Messenger, the Holy Prophet Muhammad (May endless peace and blessing be upon him), is the true path. Adherence to his ways and the ways of the pious predecessors is the right way.
