Harrow Central Mosque & Masood Islamic Centre

Friday - 31st January 2020 - 6th Jamadi-ul-Thani 1441 AH

HCM DONATES £11,000 TO NORTHWICK PARK HOSPITAL

The Muslim community in Harrow showed its appreciation for the work of Northwick Park Hospital by generously donating £11,000.

Representatives from Harrow Central Mosque, including its founder Mohammed Ilyas, handed a cheque to LNWH Charity and staff on Chaucer ward, demonstrating its commitment to help the wider community.

The money will be spent on sensory and communications equipment for children with specialist needs and their families.

The service provides physiotherapy, occupational therapy and speech and language therapy to more than 2,000 children and young people with learning and developmental needs across Harrow.

It is imperative the Muslim community engages with the wider community and show its kindness to improving local much needed services in and around Harrow. The generosity of Harrow Muslim community is evident from the size of donation and we hope this continues.

Jaqueline Docherty, Chief Executive of London North West University Healthcare NHS Trust, added: "It's great to have the support of the mosque given our large Muslim community and we hope this is the start of a great relationship."

Harrow Mosque is keen to show its fundraising efforts go beyond its immediate community and expressed an interest in working more closely with the hospital trust and LNWH Charity. This will include clinical staff giving a series of educational talks about healthcare at the mosque covering subjects like diabetes, smoking cessation and the importance of diet and exercise.

Food Sale

New TV Screens

Madrasa Intake Day

On Friday 3rd Jan the Sisters held a cake and food sale which was very successful. Many people prepared and donated food which was then sold and all proceeds went to the Masjid.

We'd like to say Jazakallah Khair to everyone who prepared and bought food and who helped to run the sale.

We have installed 4 new tv screens in the masjid in key areas so that everyone particularly those in the female and dome prayer halls can see the Imam. The screens also double up as a teaching aid for the 460+ students we cater for across the madrasa classrooms.

We'd like to thank our volunteers Kamal and Nadeem Mumtaz who helped to install and wire in the screen and especially thank our caretaker Ahmed Akhounzadah, who always goes above and beyond to serve the masjid, for installing these screens on such short notice before the annual mawlid event. We request you to make dua for his good health.

The Madrasa held an assessment and intake session for all those on the waiting list last Thursday and we have registered another 52 students into Madrasa. This means the waiting list has halved.

HCM donates £200 to the HRCA

HCM donates £200 to the Harrow Civic Residents Association for the cost of plants/flowers to be planted within the local area. HCM Madrasa teachers, Imam Rashid ul Malik and Ustadha Sarosh Malik are pictured presenting Hilary Coombes, a volunteer of HCRA the cheque. The students of the Madrasa will be volunteering later in the year to help the group who help in making the communal spaces look tidy and presentable by maintaining the plant beds and shrubbery. We would like to take the opportunity to thank the volunteers of HCRA, especially Sonia Moore who has been liaising with the Madrasa to get our young people involved.

NADRA SURGERY

The Pakistan High Commission held NADRA surgeries at Harrow Central Mosque. More than 800 people attended both surgeries with another scheduled for 15th Feb.

We hope these were beneficial for the community and would like to thank our volunteer Br Zahid Mahmood for taking a pivotal role and organising the surgeries.

We will aim to hold more surgeries to meet the needs of the community.

New Decade Fresh Start

As the 'YEAR 2020' Spiritual Retreat has finished and attendees have all gone home, I'm sure the retreat has left them missing the Masjid environment and longing to return. The retreat saw a variety of seminars, workshops, sports activity, arts & crafts and a round of science experiments, all delivered whilst them offering their Salah with congregation and reminders given to get them thinking about the year ahead. The group all had a lovely time and it was a pleasure to host them all, young and old. We would like to take the opportunity to thank them for attending and pray that they have a year filled with blessings and positive action.
