## Henna Workshop

During the February half term, a Henna workshop was organised for girls aged 9-16. Nearly 40 girls took part in this workshop spanning over 4 hours.

The girls learned the basics of Henna and attempted it on paper with Henna cones. Furthermore, they embellished cookies with royal icing. Finally, they enjoyed decorating mini canvases with acrylic paints.

The girls thoroughly enjoyed the session and positive feedback was received all round.

## HCRA Gardening Project

On Saturday 22nd February, students of the Madrasa volunteered alongside Harrow Civic Residents Association (HCRA) to rejuvenate the flower beds outside the Masjid and also in the area outside the convenience store on Rosslyn Crescent.

These were initially put in with the support of the community of Harrow, including Harrow Central Masjid.

Sonia Moore, a keen gardener and member of HCRA commented 'I am very grateful to our wonderful and diverse community, especially the members of Harrow Central Mosque and local residents: Jo Stephenson, Helen Grimes, Hilary and Les Coombes, Earl and Diane Williams.

Together with the support of HCM and the council we have been able to begin to renovate the communal garden and also the flower bed at the mosque. We had plenty of helpers young and old plus some members of Harrow Indie choir to help move 4 tons of new soil and bark chip last Saturday.

The next phase involves replanting the communal garden outside the stop and shop store, after it was recently vandalised and we look forward to working together to continue to make our area green and uplifting for everybody.'

It was great to see the students getting actively involved in this project and we are grateful to the volunteers of HCRA, especially Sonia who made this project possible.

34 STATION ROAD, HARROW, MIDDLESEX, HA1 2SQ

COURSE MATERIAL PROVIDED

**ADVICE ON THE CORONAVIRUS FOR THE MUSLIM CONGREGATION.**  
As you may be aware the Coronavirus is spreading at a rapid pace, far quicker than its place of origin we are informed. People are now being stopped from performing Umrah and Hajj may also be affected due to the spread of the virus. *The Masjid will continue to be in full operation until we are advised otherwise.* In the meantime, we need to take extra care and be more diligent for the sake of others. The Prophet Sallallahu Alayhi wa Sallam said 'No one with infectious sickness should get close to a healthy person'. The following preventative measures are issued by the Masjid to keep a healthy congregation and request people with the following symptoms to offer their prayers at home due to the fear of the virus spreading:

- If you are sneezing or coughing
- If you are experiencing a high temperature
- If you have recently returned from a journey

Please advise fellow members of the congregation with wisdom.

## NADRA SURGERY

The Pakistan High Commission held a NADRA surgery at Harrow Central Mosque. More than 400 people attended. We hope these were beneficial for the community and would like to thank our volunteer Br Zahid Mahmood for taking a pivotal role and organising the surgeries. We will aim to hold more surgeries to meet the needs of the community.

## CCTV Upgrade

Our respected caretaker Ahmed Akhounzadeh has been busy this month installing additional supplementary cameras and upgrading parts of the CCTV system. This is to ensure that our security team are fully equipped to protect the Masjid and our worshippers. Given recent events, you will all agree this is of paramount importance. However, to perform a comprehensive CCTV upgrade we require funding. If you would like to donate towards the cost of upgrading the CCTV system, please make a donation in person, online or by bank transfer with a reference of 'SECURITY'.

## Painting Mosque

This month, a group of volunteers volunteered their time to repaint the main prayer hall in preparation for Ramadhan. They did an amazing job and spent most of the week in getting this work done. We pray that Allah accepts their service of His House and in turn blesses their families and homes.

## The First Khalifah - Sayiduna Abu Bakr As-Siddiqe (Radiallahu Anh) Talk Available on Youtube

On Saturday 15th February, an event was held in honour of Sayiduna Abu Bakr As-Siddiqe (Radiallahu Anh) who is the greatest of believers after the prophets. A speech was delivered by Imam Mohammed Amar discussing the virtues of the First Khalifah and their close companionship to the Messenger of Allah (ﷺ). The event ended with food distributed to all attendees.

## Food Sale

On Friday 21st Feb the Sisters held a cake and food sale which was very successful. Many people prepared and donated food which was then sold and all proceeds went to the Masjid. We'd like to say Jazakallah Khair to everyone who prepared and bought food and who helped to run the sale.

## Welcome to New Madrasa Staff

HCM Madrasa are pleased to announce that Sannia Rafiq has joined the team as Administrative Support this month. Sannia is a graduate in Business Management and Human Resources and has a background in working within retail. We are pleased she has joined our team and would like to welcome her to the organisation.

## Table Tennis Club WATCH THIS SPACE

HCM will soon be launching its table tennis club for boys, run on a weekly basis by Br Ahmad Munib. The sessions will comprise on coaching and practice of Table Tennis to start with, with a view of increasing the number of activities over time.

If you would like your child to attend please register your interest by emailing [madrasa@harrowmosque.org.uk](mailto:madrasa@harrowmosque.org.uk) or contact the Madrasa Office.

## Madrasa Intake Day

The Madrasa has recently held 2 intake events to register students who were on the waiting list. We are pleased that almost 40 students will be starting their education with us in March. By the Grace of Allah, we now provide Quran and Islamic Studies to almost 550 students within Harrow and surrounding areas. If you require a space for your child for Madrasa, please get in touch with the Madrasa Office.

## Library Appeal

As the month of Ramadhan approaches, we have set ourselves a target to refurbish our Library to a better standard, allowing it to be accessible and beneficial to the local community. The library will have an increased level of reference books, new furniture and fixtures as part of a change in the design and layout and several IT workstations for students to be able to complete their homework, assessments and revision.

For this, we request the support of the local community to allow us to make this space beneficial. We will require funds to purchase items, and also if anybody is able to volunteer in helping to run the library, please get in touch with the Masjid. To donate to this project, please use reference 'LIBRARY'
