## Ramadan Appeals

### Pledge an IFTAR

Every day during Ramadan, we arrange Iftar for 400-500 people. The community of Harrow has always donated generously for this blessed initiative. Once again, we urge you to come forward and pledge Iftar for a day. This year, the average cost to sponsor Iftar for a day is £1,300. Zaid bin Khalid Al-Juhani (RA) narrated that the Messenger of Allah (PBUH) said: "Whoever provides the food for a fasting person to break his fast with, then for him is the same reward as his (the fasting person's), without anything being diminished from the reward of the fasting person." [Sunan al-Tirmidhi 807]

### Pledge a Donation for the 27th Night of Ramadan

We traditionally complete the recitation of the Holy Qur'an on the 27th of Ramadan. On this blessed night, a special Khatam-ul-Qur'an celebration takes place. As part of the celebration, we also present gifts to staff, Imams and the Huffaz who lead the Taraweeh. We request you to donate generously for this grand celebration.

### Free Funeral Service (Donation Based)

Since 2017, we have been providing free funeral services to the community in our area, persisting

even through the difficult times of the pandemic. We provide invaluable support to the bereaved families at a time of great need, and we have only been able to do so with your generous donations. We request that you continue to donate for this essential service. Donation boxes for our designated funeral fund can be found around the Masjid, and the bank details for this fund are provided above the timetable.

### Help your Mosque become Debt Free

We had an outstanding Qard-e-Hasana of over £1 million when the mosque was built, but with your generous donations the amount remaining is £199,180. We urge you to donate as much as you can to make your Masjid debt free. There is no better time than Ramadan to donate. "Indeed, those who practice charity have loaned Allah SWT a goodly loan; it will be multiplied for them and they will have a noble reward" - Holy Qur'an (57:18).

### Projects

We have completed a few projects for which some of the Qard-e-Hasana funds have been used, such as the air conditioning project and the library computer project. We require funds to pay off the debts, and to complete further exciting projects, such as the redevelopment of the old mosque building, external calligraphy and many more.
